Oklahoma City, OK 73118-1404

Dear Mr. Laws,

The Oklahoma Procurement Roundtable Consortium congratulates you on being selected to receive their first annual Award of Excellence in Government Contracting. Your selection was based on your participation with roundtable members and your successful completion of government contracts.

The Oklahoma Procurement Roundtable Consortium is comprised of a group of professionals who meet bi-monthly to join efforts in assisting small businesses who are attempting to win and successfully perform government contracts. Each of the participants represent an organization or agency that provides information, training or counseling to small businesses or facilitates small businesses in the process of getting government contracts. Current participants include members of the Oklahoma Bid Assistance Network (OBAN), the Tribal Government Institute, Rose State College and Langston University Small Business Development Centers, Tinker AFB Small Business Office, FAA Mike Monroney Aeronautical Center's Small Business Office, the REI Women's Center, the Native American Business Enterprise Center, Oklahoma City Small Business Administration, the Oklahoma Department of Commerce, the Oklahoma Department of Transportation, the Oklahoma Department of Central Services, and the General Services Administration.

On Monday, November 8, 2010, we will present your award during Tinker and the Primes between 8:00 and 9:00 at the Reed Center in Midwest City. The awards will be presented following a brief by Mr. John Caporal, Acting Director, Office of Small Business Programs, Office of the Secretary of the Air Force, and before the presentation by Mr. Philip Busey, Sr., 2010 Oklahoma Small Business Person of the Year.

We sincerely hope that you will be able to attend.

Congratulations on being selected for this award in its inaugural year!

Warm Regards,

Judy Robbins, OBAN Procurement Counselor
